Fee waiver

yes

Because releasing these records is in the public interest, I respectfully request a fee waiver for costs associated with conducting this search. I am an independent scholar and citizen of Santa Fe, NM who is active in issues involving environmental contamination and environmental justice in Santa Fe and surrounding areas. The disclosure of the requested records would be in the public interest because it is likely to contribute significantly to public understanding of any environmental hazards that might be present and relevant to future residential and recreational development at the site and/or adjacent or nearby properties. FOIA mandates that agencies waive search and copying fees where disclosure is “in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requester.” 5 U.S.C. § 552(a)(4)(A)(iii); accord 40 C.F.R. §§ 2.107(l)(1). Finally, I, as the requester of the foregoing materials and a private citizen, attest that: (a) I will not benefit financially from the requested information; and (b) I have no have no commercial interest in the requested documents. The intended use of the requested materials is gain knowledge of the history environmental contamination at the site and of EPA’s investigations in that regard.
